amperehour

Job Title: Business Development Associate
Department: Business Development
Company: Amperehour Solar Technology Pvt Ltd
Location: Mumbai, Delhi, Pune
Job Type: Full Time

About Us: AmpereHour Energy is one of India's fast-growing BESS companies, enabling the transition to a smarter and more sustainable energy future. Founded in 2017, we specialize in delivering end-to-end Battery Energy Storage System (BESS) solutions that help make renewable energy more reliable, efficient, and scalable. By combining engineering excellence with intelligent energy management, we work across utility-scale, Independent Power Producer (IPP), and Commercial & Industrial (C&I) projects to solve real-world energy challenges. At AmpereHour Energy, you'll have the opportunity to work on innovative technologies, contribute to impactful projects, and help shape the future of clean energy.

Why join us? • Work on next-generation energy storage and clean energy solutions • Build meaningful impact in India's energy transition • Collaborate with passionate teams across engineering, projects, and innovation • Grow your career in a fast-paced and rapidly expanding organization.
