Flipkart Early Careers

Job Description

Associate Product Manager

About Flipkart

Flipkart is India's homegrown e-commerce powerhouse, with over 500 million customers, that is empowering the dreams of a billion Indians through its solutions, every day. Selling over 150 million products across 80+ categories with an ability to reach 100% of India's serviceable pin codes, our scale is unprecedented and a perfect match for your ambition.

Everything worth doing in life is worth taking a leap for. So come, take a leap into our world of maximization, where you'll find a culture that blends high ownership, fearless experimentation, and exhilarating learning. Flipkart has been certified as a Great Place to Work, because at Flipkart every day is about maximizing impact - for you, and for India.

Flipkart is a part of the Walmart-owned Flipkart Group, which also includes group companies Myntra, Flipkart Wholesale, and Cleartrip.

Early Careers at Flipkart

Are you ready to turn your potential into performance?

Early Careers at Flipkart are all about bold beginnings and limitless possibilities. Whether you're an intern or a fresh graduate, you'll get a chance to work on real problems, with real impact that touches the lives of over a billion Indians. Don't just walk into your first career, leap into it.

What you'll get

Solve Real Problems
You'll work on live projects that make a real impact on India.

Learn From the Best
Get mentored by the people behind one of India's OG start-ups.

Own Your Journey
We give you the canvas, you bring the vision.

A Culture that Excites & Enables
Feel inspired while also being cared for.

Quite possibly, the best thing about leaping into our world of maximization is that every leap counts - no matter where you come from or what your journey looks like. We've built a workplace where diversity is celebrated and inclusion is non-negotiable.

Your leap is welcomed, valued, and championed here at Flipkart.

About the Leap

This is an opportunity to join Flipkart's **Associate Product Manager (APM) program**, an elite two-year rotational initiative designed for young technologists. Post your performance review each year, there is an auto-progression to next grade with compensation increment as well. As an APM, you'll gain comprehensive exposure across Flipkart's core business disciplines, wielding significant responsibility to ship compelling software that delights millions, propelling Flipkart to new heights in Indian e-commerce.

You'll be responsible for

- Shipping compelling software as part of a cross-functional team.
- Delivering products that delight a vast user base daily.
- Gaining exposure to business, marketing, product development, brand, and engineering disciplines.
- Taking on significant responsibility to provide fresh perspectives and drive substantial progress.

These things will set you up for success

Structured Thinking & Problem Solving, *curious mind with exceptional analytical skills and a technical foundation, comfortable with data.*

User Empathy & Product Sense *genuine interest in understanding user needs and delivering solutions that solve customer problems.*

Exceptional Communication & Organization, *strong written and verbal communication skills, coupled with meticulous organization and attention to detail.*

Go-Getter Attitude & Entrepreneurial Spirit, *proactive mindset, preferably with a proven track record of having built a software/hardware product.*

*The CTC for the full time-role is **27.28 LPA***

(This includes components such as the base pay, variable pay, ESOPs, and other benefits)

Hiring Process

Screening
Your profile will be evaluated for technical & functional capabilities, relevant experience, and fitment for the role.

Online Assessment
Assessment can be in the form of a test (tech/non-tech), group discussion, case study, problem-solving approach or other relevant methods to assess your technical/functional skills

Interviews
Typically 2–3 interview rounds in which we assess your engineering/functional skills, domain expertise, and alignment with future fit and learning interest.

Offer Roll-out/LOI
Final selects will receive a letter of intent from Flipkart, and subsequently the offer letter.

Every Flipster is a Maximiser - Curious, Audacious, Entrepreneurial, Purpose-Driven, Excited By Big Challenges, A Team Player and Inclusive. If this is who you are, then Flipkart is the place where you can thrive.
